## Equipment List

- **Grand Piano and bench, tuned before performance.**
- **Hammond B3 or A100 with Leslie and bench. When running the stage from a generator, please confirm before the set that the power supply is properly regulated, and the organ is in tune.**
- **Saxophonist carries one wireless setup. Additional unit would be optimal (for second sax).**
- **Eden bass amp.**
- **Mesa Boogie guitar amp (Mark IV, Mark III or Fifty Caliber with EQ), and channel switch(es).**
- **One Guitar stand.**
- **Jazz style four piece drumset and hardware. Three cymbal stands. Smallish bass drum preferred with both heads intact.**

**Please notify the band at least a week in advance if any of these equipment specifications cannot be met, or if the sound company wants to make any substitutions.**
